Rapport de l'auditeur indépendant

Aux administrateurs de
Rio Tinto Canada Inc., Compagnie Minière IOC Inc, Rio Tinto Fer et Titane Inc., Rio Tinto Diamonds and Minerals Holding Inc. et Diavik Diamond Mines 2012 Inc.

Opinion

Nous avons effectué l'audit des paiements associés au code du pays CAN de Rio Tinto Canada Inc., Compagnie Minière IOC Inc, Rio Tinto Fer et Titane Inc., Rio Tinto Diamonds and Minerals Holding Inc. et Diavik Diamond Mines 2012 Inc. (les « Sociétés ») inclus dans le tableau ci-joint intitulé « Project Payment by Type », « Project Payment Totals », « Government Payments by Type » et « Government Payment Totals » totalisant 4 968 114 647 \$ US pour l'exercice terminé le 31 décembre 2018 (appelés collectivement les « paiements »).

À notre avis, les paiements des Sociétés pour l'exercice terminé le 31 décembre 2018 ont été préparés, dans tous leurs aspects significatifs, conformément aux exigences énoncées dans *The Reports on Payments to Government Regulation 2014* du *European Communities Act* (le « référentiel d'information financière »).

Fondement de l'opinion

Nous avons effectué notre audit conformément aux normes d'audit généralement reconnues (NAGR) du Canada. Les responsabilités qui nous incombent en vertu de ces normes sont plus amplement décrites dans la section « Responsabilités de l'auditeur à l'égard de l'audit des paiements » du présent rapport. Nous sommes indépendants des Sociétés conformément aux règles de déontologie qui s'appliquent à notre audit des paiements au Canada et nous nous sommes acquittés des autres responsabilités déontologiques qui nous incombent selon ces règles. Nous estimons que les éléments probants que nous avons obtenus sont suffisants et appropriés pour fonder notre opinion d'audit.

Observation

Les paiements ont été préparés afin de permettre aux Sociétés de répondre aux exigences de la *Loi sur les mesures de transparence dans le secteur extractif* (Canada). En conséquence, il est possible que les paiements ne puissent se prêter à un usage autre. Notre opinion n'est pas modifiée à l'égard de ce point.

Responsabilités de la direction à l'égard des paiements

La direction est responsable de la préparation des paiements conformément au référentiel d'information financière, ainsi que du contrôle interne qu'elle considère comme nécessaire pour permettre la préparation de paiements exempts d'anomalies significatives, que celles-ci résultent de fraudes ou d'erreurs.

Responsabilités de l'auditeur à l'égard de l'audit des paiements

Nos objectifs sont d'obtenir l'assurance raisonnable que les paiements sont exempts d'anomalies significatives, que celles-ci résultent de fraudes ou d'erreurs, et de délivrer un rapport de l'auditeur contenant notre opinion. L'assurance raisonnable correspond à un niveau élevé d'assurance, qui ne garantit toutefois pas qu'un audit réalisé conformément aux NAGR du Canada permettra toujours de détecter toute anomalie significative qui pourrait exister. Les anomalies peuvent résulter de fraudes ou d'erreurs et elles sont considérées comme significatives lorsqu'il est raisonnable de s'attendre à ce qu'elles, individuellement ou collectivement, puissent influencer sur les décisions économiques que les utilisateurs des paiements prennent en se fondant sur ceux-ci.

Dans le cadre d'un audit réalisé conformément aux NAGR du Canada, nous exerçons notre jugement professionnel et faisons preuve d'esprit critique tout au long de cet audit. En outre :

- Nous identifions et évaluons les risques que les paiements comportent des anomalies significatives, que celles-ci résultent de fraudes ou d'erreurs, concevons et mettons en œuvre des procédures d'audit en réponse à ces risques, et réunissons des éléments probants suffisants et appropriés pour fonder notre opinion. Le risque de non-détection d'une anomalie significative résultant d'une fraude est plus élevé que celui d'une anomalie significative résultant d'une erreur, car la fraude peut impliquer la collusion, la falsification, les omissions volontaires, les fausses déclarations ou le contournement du contrôle interne.
- Nous acquérons une compréhension des éléments du contrôle interne pertinents pour l'audit afin de concevoir des procédures d'audit appropriées aux circonstances, et non dans le but d'exprimer une opinion sur l'efficacité du contrôle interne des Sociétés.
- Nous apprécions le caractère approprié des méthodes comptables retenues et le caractère raisonnable des estimations comptables faites par la direction, le cas échéant, de même que des informations y afférentes fournies par cette dernière.

Nous communiquons aux responsables de la gouvernance notamment l'étendue et le calendrier prévus des travaux d'audit et nos constatations importantes, y compris toute déficience importante du contrôle interne que nous aurions relevée au cours de notre audit.
