Independent Auditor's Report

To the Directors of

Rio Tinto Canada Inc., Compagnie Minière IOC Inc., Rio Tinto Fer et Titane Inc., Rio Tinto Diamonds and Minerals Canada Holding Inc. and Diavik Diamond Mines 2012 Inc.

Opinion

We have audited the payments associated with the country code CAN of Rio Tinto Canada Inc., Compagnie Minière IOC Inc., Rio Tinto Fer et Titane Inc., Rio Tinto Diamonds and Minerals Canada Holding Inc. and Diavik Diamond Mines 2012 Inc. (the "Companies") included in the accompanying "Government Payments by Type", "Government Payment Totals", "Project Payments by Type", and "Project Payment Totals" schedules for the year ended December 31, 2021 (collectively referred to as the "payments").

In our opinion, the Payments of the Companies for the year ended December 31, 2021, have been prepared, in all material respects, in accordance with the requirements set out in *The Reports on Payments to Governments Regulations 2014 of the European Communities Act* (the "financial reporting framework").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards ("Canadian GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Payments* section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the payments in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

The payments have been prepared to allow the Companies to meet the requirements of the *Extractive Sector Transparency Measures Act* (Canada). As a result, it is possible that the payments cannot be used for other purposes. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Payments

Management is responsible for the preparation of the payments in accordance with the financial reporting framework, and for such internal control as management determines is necessary to enable the preparation of payments that are free from material misstatement, whether due to fraud or error.

Those charged with governance are responsible for overseeing the Companies' financial reporting process.

Auditor's Responsibilities for the Audit of the Payments

Our objectives are to obtain reasonable assurance that the payments are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these payments.

As part of an audit in accordance with Canadian GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks that payments have material misstatements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Companies' internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made by management.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Companies to express an opinion on the payments. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is Brigitte Vachon.
