Recognition programme | 2020 tokens

We donated \$ 29 000 to the three organisations that we supported until last March: Association des aidants naturels du Bas-Richelieu, Maison La Source and La Traversée - centre de crise et de prévention du suicide.

- \$5,000 of this donation was provided by the Critical Minerals and Technology Centre team, which received a grant for winning the Energy & Minerals Pioneers prize.

Annual agreements

RTFT relies on an active and engaged application review committee to allocate funds to organisations and respond to donation and sponsorship requests. The committee is comprised of the following employees: Julie Traversy, Pascal Mailloux, Josiane Parent, Frédéric Benoit, Marie-Eve Gosselin, Francis Malo, and Michel Guay.

The committee bases its decisions on four established strategic focuses: community development, economic development, the environment, and education. RTFT supports the community through annual agreements and the involvement of its employees on boards of directors.
